Technical Data

CITRA SUDS

HIGH POWER LAUNDRY DETERGENT

DESCRIPTION

This powerful yet safe laundry powder is the latest formulation and designed for the 21st Century. Citra Suds contains anionic and no-anionic synthetic detergents. PLUS, NEW CITRUS POWER CRYSTALS, combined with selected high grade sequesterants and borax.

This powerful dirt remover allows superior performance at only 4 oz. per fifty pound load.

Special water softeners added to this formula, works fantastic even in hard water areas.

Completely biodegradable.

USES / BENEFITS

- Powerful formulation
- Water Softeners & Borax
- Low cost in use
- Latest Technology In Chemistry
- Environmentally Safe
- User Friendly
- Optical Brighteners
- Citrus Power Crystals

PRECAUTIONS

Keep Out Of Childrens Reach. If contacted in eyes, flush with water. Seek medical attention if necessary.

DIRECTIONS FOR USE

For all top and front loading washers, apply 4 oz. per fifty pound load. If extremely soiled increase to accommodate soils. Exceptionally soiled garments such as greasy coveralls etc., will benefit from one to two hour presoak.

Optical Brighteners make whites whiter ... colors, beautiful.

For extremely greasy spots, ask for Fire Ball pre-spotter degreaser.
