DEFOAMER DEFOAMER DEFOAMER DEFOAMER DEFOAMER DEFOAMER DEFOAMER DEFOAMER

Technical Data

DE-FOAM

CONCENTRATED DEFOAMING AGENT WITH EMULSIFIERS

DESCRIPTION

De-Foam may be used anywhere that suds cause a problem. It quickly penetrates and breaks down bubbles. No solvents, caustics, acids or fumes.

USES / BENEFITS

Where to use:

- **Carpet shampoo pick-up**
- **Sewage systems**
- **Water Fountains**
- **Whirlpools**
- **Auto Scrubbers**

DIRECTIONS FOR USE

Shake Well Before Using. For use in a steam or hot water extractor, begin by putting 2 oz./gal. in the pick-up tank. If carpet is full of shampoo from previous cleaning, more defoamer will be needed. For sewage treatment plants and water fountains, add defoamer until suds subside.

SPECIFICATIONS

Color ..... Milky White
Fragrance .... Characteristic
Specific gravity 1.0
Flash Point ..... None

PRECAUTIONS

Keep out of reach of children.

EXCELLENCE SINCE 1964
