DEW DROP

LIQUID LAUNDRY DETERGENT

DESCRIPTION

This liquid laundry detergent contains concentrated synthetic surfactants to lift and suspend soils. It also works in a number of water conditions and leaves no alkaline residue eliminating irritation to sensitive skin. Designed to work alone or in conjunction with a builder or break allowing flexibility in wash formulas.

USES / BENEFITS

- Aggressive surfactant system
- Easy to dispense and use
- Leaves clothes smelling clean
- Doubles as a good spotter
- Free rinsing
- Brightens fabrics
- Built in softener
- Fresh fragrance
- Highly economical

DIRECTIONS FOR USE

FOR TOP LOADING WASHERS:
Use 1/4 to 1/2 cup depending on soiling and washer size.

FOR FRONT LOADING WASHERS:
Use 1/8 to 1/4 cup depending on soiling and washer size.

To pretreat problem areas, pour part of recommended amount on fabric and rub firmly. Add remainder of detergent to washer load with no extra amount needed unless extreme soiling is present.

SPECIFICATIONS
