Technical Data

ELECTRO KLEEN

MULTI-PURPOSE SPOT CLEANER & DEGREASER

DESCRIPTION

Electro Kleen is a highly concentrated solvent designed for removing dirt, grease, oil and sludge from metallic and non-metallic surfaces. Cleaning is quick and simple without the risk of danger to working parts, machines, generators, power tools, etc. Superb on running electric motors for removing carbon and gunk.

NOTE: Do not use on automatic electronic process control or monitoring systems, computers or data processing equipment. May affect certain plastics. Test before using.

USES / BENEFITS

Can be used on:

- **Ignition Systems**
- **Electronic Equipment**
- **Drills**
- **Saws**
- **Air Conditioning Units**
- **Refrigeration Equipment**
- **All types of machines and power tools.**

PRECAUTIONS

Keep Out Of Reach Of Children

SPECIFICATIONS

Color .....Clear
Flash Point ..... None

DIRECTIONS FOR USE

Remove cap and spray generously over the surface to be cleaned until completely wet. Allow Electro Kleen to set for one minute or so while powerful solvents do the work. Then wipe off with rags, wipers, or rinse off with a second spray of Electro Kleen. Product is non-flammable and non-conductive and can be used while motors are running and equipment is operating.
